

Our Journey of Generosity

It is both our duty and our joy to be faithful stewards of the gifts we have received. We believe this is part of following Jesus' teaching in Matthew 25:14-30, to not "bury our talents" but to use our gifts for the Lord's work.

St. Stephen's commitment to faithful stewardship is emboldened by the Gift Policy which includes giving 10% of undesignated gifts to non-profit organizations outside our direct oversight, recognizing them as extensions of our ministry.

The Congregation Council has approved the Gift Committee's recommendation that \$10,000 be given in support of the ministry passions of our members. St. Stephen's will match member donations in their name, to non-profit organizations up to \$200 per household through June 5, 2022.
